

ELECTIONS 2014

Have you ever thought of becoming more involved as a Governor of the Trust?

You may ask yourself the following questions:

- Will I need specific qualifications?
- Will I need to have a professional background?
- Will I need to know lots about the Trust?

The simple answer is 'no'. All we ask is that as a staff member or a public/service user/carer member, you are passionate about making a real difference in how the Trust develops and improves its services. Your personal experience, knowledge of the local area or even your involvement in local community groups is invaluable.

Governor members represent the views of their constituents and make sure their views are known to the Trust.

We are about to start our latest round of elections and we have a number of opportunities if you think this is something for you.

We have the following seats that will be available in this election:
